

- Costume photography will be offered on two dates using the sign-up link below.
- All photographs will be of individual dancers, so you will be able to sign-up for a time that is convenient for you.
- **Each costume will require a five-minute block. If your dancer has more than one costume, please DO NOT sign up for back-to-back times to allow for changing time.**
- Since it is a very tight schedule, please arrive 10-15 minutes before your initial session to take care of paperwork, payment and to ensure you are ready at your timeslot.
- **You will receive ALL of the images from the shoot as a digital download within 4 weeks of the session.**
- There will be optional Specialty Products available for purchase. Samples can be viewed the day of the session. 10% of the sale of the Specialty Products will be donated to the *Keep Dancers Dancing Fund* at ULDC.
- If you purchase any of the optional Specialty Products, you will have the option to either pick-up at ULDC for FREE, or pay \$7 shipping to your home. If you choose the pick-up option, an email will be sent when orders are ready at the studio.
