

Ultimate Leap Dance Center

Online Registration Fall/Spring Classes 2023-24

Please read all of these directions carefully. Demand for our dance classes in the past has been very high, and we want to encourage you to know the process, so you have the best chance of getting the classes that you want for your child.

There will be classes that fill right away. If you are partial to a particular day or time or set of classes, our advice is to register at the opening time of your age group.

We will be offering a staggered online registration process the week of July 17th - July 20th. Depending on your oldest child's level or age group, your registration date and time will be set to the following as a first-come, first-served offering.

Opening registration times and dates:

5 - 7 Class Package for \$850: Monday, July 17th, 7pm to 8pm

Level 1/2/3/4: Tuesday, July 18th, from 7pm to 8pm

4th-6th grade: Wednesday, July 19th, from 7pm to 8pm

2nd-3rd grade, K-1, and Pre-K: Thursday, July 20th, from 7pm to 8pm

All registration will open on Friday, July 21st at 9am.

Families will register all of their children on the night of their oldest child.

A password will be required to register. You will receive the password by email by Friday, July 14th. Each night will have a different password allowing that age group to register. Starting Friday, July 21st at 9am, no password will be required to register. For those students who wish to register for the 5-7 class package, you will need to fill out the [Google Form](#) indicating you are planning on taking 5-7 classes. Filling out this form is how you will receive the password for the Monday registration night.

If you are wishing to register one of your children for the 5-7 class package, at checkout you will enter the promotion code ULDCpkg. A message will appear that your current price does not reflect the package price of \$850 yet, but ULDC will be notified and will go into your account to reflect the package price and then send you an email. You must continue through the whole checkout process to the Thank You page so that your place in classes are held.

Payment can either be by credit card (3% service charge) or you can drop a check off at the studio either in the black box on the wall to the left of the desk, or in the outside locked mailbox. Payment must be received within 48 hours of registration, otherwise, your spot(s) in class(es) will be canceled.
